

This thoughtfully remodeled 3 bedroom 2.75 bath country home is nestled on over a 1/2 acre with fruit trees & other ornamentals in a very peaceful and tranquil setting. It features an open floor plan, large rooms, big front porch, and a nice large detached shop/garage. Huge master suite boasts a large private bath with jetted tub, walk-in closet and french door accessed deck. You can't beat this for value...Put it at the top of your list!
